Bottom plate

Simple discreet modular mounting solution for the new generation of LCDs. Designed to change the existing stand to be hotel safe, providing first rate security and keep the designer look of the LCD. Works with Philips monitor glass bases. Available in bolt down for wood surfaces and adhesive for glass and stone. Although secure when mounted, adhesive can be completely removed without marring stone surfaces. Quick and easy installation with a modular design.

- Security hardware kit provided.
- Carton Dimensions:  
25" L x 10-1/2" W x 1/2" H
- Security Tools: (Ordered Separately)
